

ACAC Certified Microbial Investigator Prep Course Registration Form

Are you looking to get certified to do mould inspections? The most reputable mould certifications in the international marketplace come from the American Council of Accredited Certification (ACAC). You can now prepare for their Council - certified Microbial Investigator (CMI) designation by undertaking this prep course training with Eronmor.

The CMI certification will demonstrate to your clients that you;

- Understand when, where and why mould and bacteria will grow
- Recognize the effects that mould and bacteria may have on health
- Assess indoor environments in a comprehensive manner, rather than just collect samples
- Comprehend how to diagnose microbial problems and write plans for them to be resolved
- Apply an industry standards of care to your work

Seats are very limited so be sure to register as soon possible!
